NATIONAL ARCHIVES MICROFILM PUBLICATIONS

The cards of this microfilm publication are reproduced from the pension cards maintained by the Bureau of Pensions and the Pension Administration for recording payments made from 1789 to 1835 to members of the Regular Military Establishment. These payment cards are part of records of the Veterans Administration, records from 15.

By an act of September 29, 1789 (1 Stat. 45), provided for the continuance of pensions approved by the Continental Congress. It did not assign the pension payment function to any department. By an act of June 10, 1792 (1 Stat. 431), that function was assigned to the Secretary of War. For until legislation of 1815, the Secretary of War was also the Secretary of the Pension Administration. For until legislation of 1815, the Secretary of War was also the Secretary of the Pension Administration. For until legislation of 1815, the Secretary of War was also the Secretary of the Pension Administration.

The unit known as the Office of Military Bounty Lands and Pensions was developed within the Secretary's Office. Between 1792 and 1815 the unit was referred to as the Military Bounty Lands and Pensions Branch (or Section). After the Branch was divided into two units in 1815, the Pension Branch and the Military Bounty Lands Branch, the latter was generally referred to as the Pension Office. In March 1835 Congress provided (4 Stat. 622) for the appointment of a Commissioner of Pensions under the general supervision of the Secretary of War; in March 1847 Congress established (5 Stat. 395) the Department of Interior, to which the Pension Office was transferred. On July 21, 1894, by Executive Order 559, the Bureau of Pensions (formerly called the Pension Office) was separated from other agencies also serving the Bureau of the Pension Administration, an independent executive agency.

With passage of Public Law 100-109, records of pension payments were transferred to the Pension Agency payment books. In 1947 the method of recording was changed to a card system, and the transfer of basic information from the payment books to the payment cards for all invalids was completed. All being pensioned at the time of the change in recording method.

There are approximately two million cards, 5 inches by 3 inches, in this microfilm publication. They are arranged in alphabetical order by surname of the Army or Navy member, except that cards with surnames that have been changed alphabetically at the beginning of the respective letter of the alphabet. The form of the card is almost identical

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

Form 100, "Certificate of Pension," is the front of the card. It contains the name of veteran, his certificate number, his date of birth or date of service, the disability for which pensioned, the law or laws under which pensioned, the class of pension or certificate, the rate of pension, the effective date of pension, the date of the certificate, any fees paid, the name of the pension agency or group transferred from (if applicable), the date of death, the date the Bureau was notified, the former roll number, and "home." On the reverse side of the form appear the name of the veteran, his certificate number, and the rate and record of the individual payments. On the "Army Widow" and "Navy Widow" cards, the widow's name replaces the veteran's, and the veteran's name replaces the information about the disability for which pensioned. A block is available on the "widow" card for recording payments made to minors. A major change in the law occurred in 1923, when the payment was made monthly instead of quarterly. Pensioners whose payments extended beyond this period had their payments recorded on a second card—the "continuation" card. In the few instances where a communication had been attached to a card, the communication has also been filmed.

Also in Record Group 15 are the pension agency payment books from 1865 to 1909, which preceded the system of pension payment cards; the registers of pension certificates issued to Army and Navy veterans, their widows, and other dependents to 1914; and the registers of pension applications to 1916.

The material material for this publication was prepared by Nellie Johnson and Millie Pacheli.
